

Nurse Author

CINAHL and Nursing & Allied Health Source are two great databases for finding Nurse Authors.

Navigating to CINAHL:

Step One: Access the Benner Library Home page at library.olivet.edu.

Step Two: Click on “Subject Guides” on the Home page.

Step Three: Click on the “Nursing” Subject Guide under the “Most frequently Used Guides” heading.

Step Four: Navigate to the CINAHL Complete database.

All Subject Guides		Most Frequently Used Guides	
Books & Media	eResources A-Z	15,219	Nursing

Using Nursing & Allied Health Source to Find a Nurse Author:

Step 1: Type in an applicable search term.

Step 2: In the second box, type in specific nursing credentials and change the second tab to say "Author – AU."

Notice: For research articles, add the terms "research or study or method" in a third search box and change the second tab to say "Abstract – AB."

Step 3: Check the Peer Reviewed option and limit the Publication date to the appropriate time.
