Searching in the Library Catalog:

Step 1: Sign in using your My.Olivet username and password.

Step 2: Search terms in the search bar and narrow down your results in Tweak your Results tab, or use the top bar.

The screenshot shows the library search results page for the query 'plants'. The search bar at the top contains 'plants' and the 'Library Catalog' dropdown is visible. Below the search bar, a navigation bar highlights 'All', 'Books', 'Articles', 'Journals', 'Video/Film', and 'Sound recordings'. The main results area shows a list of items, with the first item being a journal titled 'Plants (Basel, Switzerland)'. A sidebar on the left, titled 'Tweak your results', contains various filters such as 'Sort by Relevance', 'Availability', 'Creation Date', 'Resource Type', 'Location', 'Subject', 'Author/Creator', 'Language', and 'Awards Note'. A user login notification for 'Ava Tueck' is visible in the top right corner of the results area.

Step 3: Click on the title of the desired item to see more details and if it is available in Benner library

If you want to view the article online, click on the 'view online' tab to see what databases have it available to view.

The screenshot shows the detailed view page for the book 'Plants' by Reid, Stephanie. The page includes a book cover, title, author, and publication year (2010). It indicates that the book is available online and provides a link to 'Chapters of this book (3)'. A sidebar on the left contains navigation options: 'TOP', 'SEND TO', 'VIEW ONLINE', 'DETAILS', 'LINKS', and 'TAGS'. The 'VIEW ONLINE' section is highlighted with a red box and shows 'Full text availability' with a link to 'eRead Illinois via Boundless'. Below this, it notes that the book is available to patrons at participating eRead Illinois libraries and is an eBook. The 'Details' section at the bottom provides the title, creator, description, genre, and contents.

If an item is unavailable in Benner library, you can request it through the ILL services.

Step 4: Select the “Get It” tab and then Select order from ONU or from another library.
